## The Bulletin. DEATH OF DEPUTY SHERIFF BOWEN

Passed Away Monday Evening at Six O'clock After Short Illness-Was Connected with Local Police Force 35 Years and was Chief 15 Years-Prominent in Masons and Grand Army.

Monday evening at six o'clock occurred the death of John A. Bowen, ported from the changes burometric lines was of short location, but for the 24 bours preceding his death hope had beed despaired of, as he had been troubled and beed despaired of, as he had been troubled and thought it was much better. There was a swelling on the inside and had been treated for it and thought it was much better. There was a swelling on the inside and he feared be would lose his hearting in his right car. Saturday he had a headache and there were pains in his car, which became severe and a doctor was called. He was relieved somewhith. He was getting up when he became worse and soon lapsed into unconsciousness from which he never railied. The swelf is unfolded in the car was satisfied to his regiment. He became a member of the local police force when it numbered but few and from the lowest rank rose step by step than the positions in the department from botton to top and at all times did he faithfully fulfil his office and perform his duties. He became were under Captain Whaley on December 7,1869, and served with credit from that time. There were cleven men on the force when he was assigned to the Water signed to day duty. After three years in the was getting up when he became worse and soon lapsed into unconsciousness from which he never railied. The first station until July, 1877, when he was made first sergeant and R. H. Fillmore took his place. In July, 1880, he was put back to the Greeneville station again, but the following year was raised to first sergeant again, where he remained until July, 1883, when he was made lieutenant. He was lieutenant

JOHN A. BOWEN.

Internal frouble with his ear is believed to have affected the brain. By his death one of Norwich's most prominent citizens has passed away.

His illness came as a shock to the community and his death will be learned with sorrowful regret.

John A. Bowen was born on May then Windham county, now New London county. His parents were Philip in the present time, and will be was senior vice. A. R., of which he was senior vice commander at the present time, and

don county. His parents were Philip
A. and Charlotte C. (Gardner) Bowen. The history of the family has
been traced back to Cadivor, who,
about the twelfth century (1232), was
of the fourth generation in wales. He
had two sons, it is said, Myrick and
Griffth, from the former of whom this
particular branch of the family is descended.

A. R., of which he was senior vice
commander at the present time, and
had been quartermaster. He had also
been an assistant inspector of the debear an assistant inspector of the debear and when a young man Joined the First
and when a young man Joined the First
Baptist church in Westerly. He attended the church here. Previous to
his being made a deputy sheriff and a favor,
seended. Griffith Bowen came to America in Side. 1638; and Richard Bowen, the progeni-

tor of this branch, said to have been a brother of Griffith, came about 1640, settling in Rehoboth, Mass., where in 1643 his estate was valued at two hundered and seventy pounds. From him a big hearted men, and throughout life At

Chief Bowen was one of five childer a man of integrity and worth, does not being one of twins, and is the does honor to a city, and his loss is a does honor to a city, and his loss is a does not be inunicipality. He

DeCelles, George Smith, George Weller, John Donovan, Howard Dunse,

Don't Do It By Starving It Either-Let a Substitute Do the Work. The old adage, "All work and no hay makes Jack a dull boy," applies ust as well to the stomach, one of the most important organs of the numan system, as it does to the man, nimself.

If your stomach is worn out and

rebels against being further taxed be-rebels against being further taxed be-cond its limit, the only sensible thing you can do is to give it a rest. Em-ploy a substitute for a short time and o if it will not more than repay you Stuart's Dyspepsia Tablets are a illing and most efficient substitute. They themselves digest every bit of food in the stomach in just the same way that the stomach itself would, were it well. They contain all the essential elements that the gastric juice and other digestive fluids of the stomach contain and actually. ach contain and actually act just same and do just the same work the natural fluids would do, were tomach well and sound. They, th orkman relieves another, and per-

t to rest and recuperate and regain ts normal health and strength.

This "vacation" idea was suggested by the letter of a prominent lawyer in thiengo. Read what he says: "I was engaged in the most momentous un-dertaking of my life in bringing about the coalition of certain great interests that meant much to me as well as my ellents. It was not the work of days, out of months. I was working night nd day almost, when at a very ical time my stomach went clear back on me. The undue mental strain brought it about and hurried up what could have happened later of "What I ate I had to literally force down and that was a source of misery

The work of teering down the twostory wooden building in Main street
just east of Franklin, formerly owned
and occapied by II, and R. Blinder
man, was commenced on Tuesday and
it is now nearly leveled.
In place of this building there is to
be erected on the site a four-story

Funeral from the home of his parents, 18 Town street, Wednesday afternoon.

A man reduced to a state of complete helplessness from paralysis was then given a few minutes' treatment and surprised the audience by walking off the platform unassisted.

A man 72 years old had all the stiff-

A man who suffered four years from neuralgia was relieved of all pain in a moment of time. A young lady relieved from a severe backache about 20 feet from the stage and the young lady standing near her seat in the audience was in five minutes relieved to the greatest astonishment of all and discovered all her pain

A gentleman who had been deaf for eight years had his hearing restored in ten minutes.

A lady who suffered four years from neuralgia was relieved of all pain in moment of time. A gentleman who was a sufferer of rheumatism, who was unable to walk without a cane, and told Dr. Blumer that he would not venture to take a step without his cane, was after a fivminutes' treatment able not only to

discard his cane, but walk across the platform and around the hall without the cane, to the great astonishment of the public. A young boy who was unable to stand or walk for about five years not only was made to stand, but began running around the platform and around the hall with such rapidity that it excited the audience.

Now is your opportunity of testing o your entire satisfaction the most borough and successful system of healing diseases without dangerous medicines known to the world. It matters not what your disease is or your condition. They have proved before the eyes of

thousands that there is scarcely a dislearned that the Psychopathic Doctors of the nervous system, tumors and goitres removed without the knife, or the loss of a drop of blood, all stomach disturbances, spinal and cerebral dis-orders, female weakness of all descriptions, rheumatism in all its forms, such as rheumatic gout, inflammatory, rheumatism, swelling and inflamma-tion of the joints, deafness and all diseases of the ear and eye. No matter what the trouble may be, there is hope so long as the Psychopathic Specialists We pay particular attention to Union are in Norwich. While their free healing in the hall

ias been discontinued, hundreds of people come from far and near to be treated at their private office in the Martin House, 18 Broadway. Their book, "The Revolution in Medical Practice," by Dr. Blumer, is on sale at G. A. Davis: bookstore, 26 Broadway, at the regular price; cloth 50 cents, paper cover 35 cents.
